EDUCATION

Western University | Ivey Business School London, ON

B.A. (Honours Specialization) Psychology + Honours Business Administration (HBA), Dual Degree *Expected 2028*

PROFESSIONAL EXPERIENCE

Viridian Management Consulting

Vice President Marketing | Extracurricular July 2025 - Present | London, ON

- Designed and executed multi-platform social media campaigns using **Photoshop** and **Canva**, leveraging **A/B content testing** and engagement analytics to generate **100K+** impressions and **45%** follower growth in one month
- Led a 4-week integrated marketing rollout strategy for the consulting program by defining 5 KPIs, 3 target audience segments, and channel mix across **Instagram** and **LinkedIn**, resulting in **150+** qualified applicants
- Coordinated business partnering activities with industry professionals from KPMG, managing scheduling, communications, and feedback to enhance member relations and organizational effectiveness

Mental Health Mutual-aid Hub Canada

Social Media Coordinator May 2026 - Aug 2026 | Toronto, ON

- Produced and edited multimedia video content using **CapCut** for cross-platform distribution, reviewing raw footage to deliver polished, brand-aligned content that supported the organization's digital marketing strategy
- Wrote and designed original social media content and copywriting for content marketing campaigns, driving a **333%** increase in share count and **256%** increase in view count through audience engagement optimization
- Authored long-form copywriting for **X (Twitter)** and **LinkedIn** content strategy, expanding brand awareness and cross-platform audience reach in collaboration with the content publishing team

Office Administrator June 2025 - Aug 2025 | Toronto, ON

- Facilitated the full-cycle **talent acquisition** process of **40+** candidates in one week, from sourcing candidates to extending position offers to reduce time-to-productivity and maintain quality-of-hire standards
- Published **SEO-optimized** content that strengthened the organization's online presence and donor outreach, while maintaining HR records used across departments to ensure accurate payroll and faster leadership decision-making

Western University | Ivey Business School

Research Assistant Jan 2025 - Present | London, ON

- Supported the Principal Investigator (PI) across the full study cycle on behavioural experiments, including literature reviews, study design, and collecting and reviewing stimuli across **96,000+** data points
- Helped define participant criteria and **recruit participants,** then helped run **Qualtrics**-based study sessions for **150+** participants, handling communication between participants and the PI
- Collected and cleaned study data in Excel and ran analyses in **R, Excel, and JASP** to review and interpret results
- Conducted literature reviews and supported research on relationship building and organizational behaviour, examining how workplace dynamics influence employee experiences, coaching, and organizational outcomes
